Z U R I M O V E S T O A N E W L O C A T I O N !

As Zuri Color Studio moved into it's 5th year of operation, we started to wonder where we would go from here. Should we renovate the space we were in or should we relocate and build another salon. After some soul searching and realizing we needed some new challenges, we decided on a bigger and better space. At first we looked at moving out of Independence into Blue Springs or Lee's Summit. But the high cost of newer spaces put the brakes on that idea and we looked internally. The shopping center we were in was going through some renovations of it's own and it really looked good. They changed the color scheme, replaced the sidewalks and repaved the

parking lot. With all the upgrades to our current shopping center and our reputation in Independence, we decided to

stay in the Colonnade Shopping Center. Besides, our favorite restaurants like Golden House and The Salty Iguana were close by.

We are now located inbetween Pro Nails and The School of Dance, just on the other side of Golden House. Zuri has grown from 1200 square feet to 2200 square feet; renovated from the ground up. It is both beautiful and functional. We hope you enjoy it.

Please join us for our open house December 8th from 6-8 pm. Enjoy some food and beverages while we introduce you to some new services and special savings for the Holiday season. Thank you all for making Zuri Color Studio the "Best of Independence" and the "Best Color Salon in Kansas City". We couldn't have done it without you.

Future Zuri Color Studio Clients

It seems that everywhere you look,

one company or another is wanting your hard earned cash to save their company. We saw it with the mortgage industry. We saw it with the insurance industry and now the auto industry is putting it's hand out yet again.

But not to worry, Zuri Color Studio will not ask for any more of your money this coming year. We're calling a price freeze (don't you wish the gas company or the grocery store would do the same?). Stick with us and you will get

2009 service and quality for the 2008 price. Remember, we are all in this together and the best thing we can do is help each other out. Zuri will do it's part to help you keep more of what you earn.

Again, it's our way of saying "thank you" for being a precious part of our growing business.

One of the best ways you can show your appreciation for your stylist is to send them a friend or relative. We as stylists enjoy seeing new faces and getting the opportunity to showcase our talents on someone you know.

If you refer someone to our salon and they visit us in the month of January, we will dou-

ble our normal referral cash to \$10. That's all you have to do.

You can pick up referral cards in the salon or you can download the PDF from our website www.zurisaloon.com.

If you have any questions about our referral program, feel free to give us a ring at 478-9874. Anna or Marah will be happy to assist you or an-

swer any questions you may have.

Thank you in advance for spreading the Zuri word, we appreciate everyone's effort to support our company.
